

LET'S ALL MOVE BROWARD FORWARD.

Vote YES & YES on
Transportation and Infrastructure.

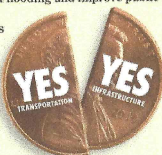

This November, we can all invest in a better Broward. Two half-penny sales tax increases together form a smart plan to address our critical infrastructure and transportation problems.

One half-penny to synchronize traffic signals, improve our intersections and help reduce traffic congestion.

One half-penny to repair our damaged streets, replace aging water pipes, reduce street flooding and improve public facilities and parks.

Both measures must pass or neither can move forward.

LET'S MOVE BROWARD FORWARD

LET'S MOVE BROWARD FORWARD BY VOTING YES & YES ON TRANSPORTATION AND INFRASTRUCTURE.

REPAIR AGING PIPES

We need to repair and replace our aging infrastructure including water and storm water pipes.

REDUCE FLOODING

It's time to improve drainage and sewer systems to help reduce street flooding.

IMPROVE INTERSECTIONS

Help reduce traffic congestion by improving intersections and synchronizing traffic signals.

INVEST IN SAFETY

Provide local law enforcement with modern equipment to help them stay a step ahead of crime.

VISITORS PAY

Best of all, visitors will fund a significant share of the cost for critical repairs and improvements through their purchases.

GROCERIES AND MEDICINES EXEMPT

This small sales tax will not apply to groceries or prescription medicines.
